Pillar I

Be Disciplined

1. How you plan to change your spending to enhance relationships?
2. What changes in your lifestyle can you make?
3. What is impeding you from being fiscally healthy and secure?
4. How will you embark upon a journey of fiscal freedom?

**Pillar II**

Be A Masterpiece
Pillar III
Be Diligent

How much you value hard work.

How persevering will help you accomplish your goal.

How to develop a plan to save more.
Pillar IV

Be Radically Generous

- How to develop a plan to accelerate change?
- Situations where you have been loved despite yourself.
- How you can be intentionally generous?
- How to implement an abundance perspective.
- What you’re doing to focus on God, love and harmony.
- What you need to stop doing.
Pillar V

Be Resilient

- Who inspires you, and why?
- What are the characteristics of resiliency?
- How knowing your purpose makes you able to withstand trials.
- How your choices help you live your purpose.
- How you use quantitative factors to help make decisions.
- The steps you will take to endure.
Creating Your Mission Statement

A mission statement is a short, well-organized and thought out expression of your why.

What is the great goal that organizes your existence on this planet?

What’s the focus that keeps you from moving in aimless directions?
